## **Pest Free Residence Certificate**

This Pest Free Residence Certificate is being issued for the property listed below:

Silencer Pest Management has inspected the property and found it to be free of **German Cockroaches** and **Bed Bugs** as of the following date:

Any infestation noted after new tenant move in will be the responsibility of the tenant.

This certificate does not cover other naturally occurring pests such as: **Spiders, Ants, Earwigs, Wasps, Mice, Rats, Agricultural insects or outdoor Oriental/American roaches.**

German Roaches and Bed Bugs move in household goods, clothing, luggage and appliances and do not move from neighboring structures.

This certification applies only to single family residences.
