Full color FLASH display ads are static ads with motion! With up to 10 seconds of animation*, these ads will catch the attention of anyone searching for your product or service. Add motion to your ad and see how quickly your business will grow.

By upgrading to a FLASH ad, you can tell a story only full motion video can portray. Your prospective customer will be captivated and will want to find out more about your company.

*There are 3 types of animated ads:

Level1: animation lasts up - to 5 seconds

Level2: animation lasts up - to 10 seconds

Level3: animation lasts up - to 10 seconds and a video is embedded into the ad or there is a link to an online video player.
